Shown above are the Rev. and Mrs. Jay E. Stewart. Mr. Stewart, newly appointed missionary, is the son of L. L. Stewart, Evergreen, and the late Mrs. Harry Shupe Stewart. He has three sisters: Mrs. D. W. (Evelyn) Almond, Appomattox; Mrs. G. W. (Marie) Shirley, Spout Spring, and Mrs. J. W. (Gertrude) Wooldridge, Covington; also, one brother, L. L. Stewart, Jr., Richmond. Mr. Stewart is an Appomattox High School graduate, and former member of Evergreen Baptist Church.

Reverend And Mrs. Jay E. Stewart

Mission Board Appoints County Native To East Africa Post

Pastor and Mrs. Jay E. Stewart, of East End Baptist Church, Roanoke, Va., were appointed missionaries to East Africa Thursday, May 14, by the Southern Baptist Foreign Mission Board, meeting in Richmond, Va.

Mr. Stewart has been pastor of East End Church since February, 1957, and chaplain of a U. S. Army Reserve unit at Salem, Va., since January, 1959. Active in Roanoke Valley Baptist Association ..d local ministerial organizations, he served for three years as associational Sunday School superintendent and taught for a year in the Roanoke extension of the University of Richmond School of Christian Education.

Mrs. Stewart is pianist for East End Church, where she was formerly music director. A graduate of Lewis - Gale School of Nursing, Roanoke, she was operating room staff nurse there for a year and office nurse and surgical assistant for a Roanoke ophthalmologist for eight years.

A native of Evergreen, Va., where he grew up on a farm, Mr. Stewart was primarily interested in agriculture during boyhood He won a Future Farmers of America State Farmer's Degree and a national FFA American Farmer's Degree, first place in a statewide 4-H Club tractor maintenance project, and the agricultural award from Appomattox High School.

He majored in animal husbandry at Virginia Polytechnic Institute, Blacksburg. But during college days missions began to over shadow agriculture in his life. While attending a student conference at Ridgecrest (N.C.) Baptist Assembly in 1952 he publicly pledged himself to foreign mission service.

After graduating from VPI with the bachelor of science degree he studied in Southeastern Baptist Theological Seminary, Wake Forest, N.C., where he received the bachelor of divinity degree. He also took a nine-week course at the Army chaplain school at Fort Slocum, N.Y.

Before beginning his present pastorate in Roanoke he was pastor of Pine Grove Baptist Church, Elliston, Va., and Midway Baptist Church, Ironto, Va. He worked under the Southern Baptist Home Mission Board in Harlan County, Kentucky, one summer.

Mrs. Stewart, the former Laura Lee Gray, native of Bluefield, W. Va., says she first announced her desire to be a missionary nurse when she was 11 years old. She studied in the University of Richmond (by extension and television courses) and Roanoke College, Salem, to complete educational requirements for missionary appointment.

She and her husband have two daughters, Shelda Ann, four and half, and Martha Denise, two.

They and the 23 missionaries and missionary associates commissioned with them in the Foreign Mission Board's May meeting bring the Southern Baptist overseas mission staff to 1,342.

Miss N. Burkey Named Freedom Award Winner

Miss Nola Burkey, fourth grade teaher at Appomattox Elementary School, is one of the five Virginia teacher named this week to receive the Valley Forge Classroom Teachers Medal. These five are among the 278 teachers from throughout the nation to receive this year's awards from Freedoms Foundation at Valley Forge, Pa.

The awards are for 'their exceptional service in furthering the cause of responsible citizenship, patriotism, and a greater understanding and appreciation of the American way of life.'

Miss Burkey is completing her 39th year of teaching in Appomattox schools. Following graduation from Radford College she taught one year in Franklin County, then taught two years in Norton, Va. (Wise County). The remainder of her teaching career she has spent in Appomattox.

She very modestly said that perhaps the Freedoms Foundation committee wanted Appomattox to be 'honored'" — and so chose her from among the hundreds nominated. She said that like any other teacher she has always 'wanted to do the best job possible'", and she speaks highly of her present class of 'thirty - four sweet children.'

This is the second year in a row that Appomattox teachers have been recognized. Henry Pak, head of the Vo-Ag Dept. at Appomattox High School received a Freedoms Foundation award last year.

Miss Burkey was for many years a Sunday School teacher and has always been active in church work at Memorial Methodist Church.

VFMA Plans Outdoor Country Music Jamboree

The Virginia Folk Music Association will sponsor a country music jamboree on Sunday, May 24, in Appomattox. It will be the first time in the history of the 18-year old non-profit organization, that it has presented a show in the Appomattox area.

The big show, which will be sponsored by the Appomattox Jaycees, will begin at 1:30 p.m. at the ball field at the East Edge of town on Route 460.

More than 100 country musicians and singers are expected to perform at the jamboree, an event that is to country music singers what a hootennany is to folk singers or a jam session is to popular musicians. One of the main differences is that at a VFMA jamboree the music will vary from authentic folk music and bluegrass music to the modern day country swing or country-pop music. And there's always a special rock and roll music portion on the program especially staged for the youngsters in the audience.

A staff band, which has not been named as yet, will serve as anchor band for the show in addition to being featured throughout the program they will furnish background music for the various acts that do not have their own accompaniment.

The Jamboree will be emceed by various country music disc jockeys in Southside Virginia who are members of the VFMA Among these will be Little Jody Rainwater of WSVS in Crewe, Henry Fulcher of WFLO in Farmville and Al Mull of WM E in Chase City.

It is emphasized that this is not a contest but a jamboree. . a gathering of country musicians and singers who will perform for the entertainment of the audience and their fellow musicians./ The VFMA cones contest to determine the official state champion country musicians will be held later in the summer.

All VFMA members are urged to be present for the big jamboree in Appomattox and other musicians and singers in the area are invited to come and participate in the event. Musical background will be furnished for those acts that do not have their own acompaniment.

Wheat Signup To Be Extended

The Department of Agriculture has extended the signup period under the 1964 Voluntary Wheat Program from May 15 through May 22, 1964, according to J. A. Martin, Chairman, Appomattox ASC County Committee.

In making this announcement, Mr. Martin said that the Department feels that farmers have not been afforded ample opportunity to sign up during the short signup period as announced previously. Farmers in most areas are in the rush period of land preparation and planting of spring crops. The additional week's extension of the signup period will give farmers further opportunity to consider the effects of this program on their individual farming operations and to contact the ASCS County office for signup, Mr. Martin said.

In making this change, Mr. Martin pointed out that the grazing date for diverted acres for wheat is also extended through May 22. This means that land which is otherwise eligible will not be disqualified for diversion because of having been grazed up to the time of signup.

In summarizing this action, Mr. Martin emphasized that the program had been well publicized locally and that he felt most farmers are already familiar with the program. He urged all wheat farmers who have not become familiar with program provisions to contact the ASCS county office before the final signup date of May 22, 1964.

Council Endorses Abbitt

Appomattox Town Council meeting Monday evening added their endorsement to the heavy support of George F. Abbitt, Jr., Appomattox county commonwealth's attorney, as successor to the late Fifth Circuit Court Judge Joel W. Flood.

In their endorsement they said that Abbitt is "eminently qualified in all respects to fill this vacancy."

They added that Abbitt is qualified by "training, experience, demeanor and temperament to fill said important post and the Council does urge the Honorable Albertis S. Harrison, Jr. to appoint the Honorable George F. Abbitt, Jr. as Judge of the Fifth Judicial Circuit of Virginia."

After the Virginia Supreme Court of Appeals certifies that a vacancy exists, Governor Harrison is expected to make an interim appointment subject to confirmation by the General Assembly.

Another leading contender is Prince Edward County Court Judge William Hay, Jr.

Town Precinct

Mayor S. R. Lawson announced that he had appeared before the County Board of Supervisors to request a separate precinct for town voting. Voting in recent years by all Southside district voters has taken place at the Court House in Appomattox. This latest request of the supervisors is the result, Dr. Lawson said, of many requests for a separate voting place for the Town. The separate precinct will lighten the work load of the judges, expedite counting of votes, and be more accessible to all voters, said the Mayor.
